- **Educational Presentations**

Activities for all ages – schools, kindergartens, playgroups and child care centres. Select a programme like “Recycling”, “Animal Friends”, “Stranger Danger”, children join in and everyone takes home something to reinforce the fun and message. Magic and balloon class are popular for school holiday activities, curriculum days or adult fun and learning – all participants take home their creations to enjoy.

- **Fairs, Fetes and Festivals**

Magical Bill adds extra fun to your fair, fete or festival and assists with your fund-raising. A happy crowd is attracted to balloons, the unique skills and originality of the twisters.

- **Birthday Parties and Celebrations**

Each guest receives a gift at your birthday party. Balloons and Magic will enliven any celebration and your friends will long remember your party.

- **Shopping Centre Promotions**

Special occasion events and new store openings benefit from crowd pleasing entertainment. Balloon Magic attracts children and adults; young and old. The perfect family entertainment.

Not just for special events, the Magic of Balloons can become an integral part of your shopping centre’s daily attractions. Parents love shopping where their children are happy. What could be happier than Balloon Magic?

- **Restaurant fun**

For the intimate atmosphere: individual tableside entertainment, a balloon model to take home and a little magic while waiting for food.

Do you have a quiet night? Revitalise with a family night including Magical Bill to enchant children and adults alike with Magical Balloons.

- **Corporate Functions**

Looking for something different as an ‘ice breaker’, ‘team builder’ or on the lighter side as a break between ‘heavier’ sessions? Magical Bill adds fun with a difference while all participants create models with balloons.
